

## Lifetime Achievement Award

Do you know someone who has made significant contributions to the field of Great Lakes research?

Someone who has developed an outstanding body of work over the past 20 years?

***Consider nominating that person for the IAGLR Lifetime Achievement Award!***

---

### **Nomination Package**

should include:

- A nomination letter, clearly indicating how the nominee has made a notable impact on Great Lakes research in the key areas of contribution, originality, and impact (2 pages).
- The nominee's resume.
- Minimum of three letters of support\*.

\*Those providing letters of support must be regular members of IAGLR

### **Deadline March 31<sup>st</sup>**

Submit your nomination package via email to [office@iaglr.org](mailto:office@iaglr.org).

Nominees are evaluated on the basis of contribution, originality, and impact to the science of Great Lakes research:

- Contribution: Sustained and substantial theoretical, experimental, or field research.
- Originality: Outstanding body of original work, and reporting on unique datasets.
- Impact: Long-term influence on research in a specific sub-discipline.

### Eligibility:

- 1) ≥ 20 years of professional experience (beyond their terminal degree) in the field of ecology, fisheries biology, limnology, environmental engineering, or resource management in the Great Lakes
- 2) Has not previously received the award.
- 3) Nomination of a member of IAGLR is preferred.
